My life on video game  
and I'm the #1 loser.

What I/we did Falling at everything,  
as a materialist I do stupid,  
Self deprecating through the illusion.

Food & drink Spent in so many illusions  
that I should start exclusive section  
[Help] He perceives it all to be ahead as

Where I/we stopped/stayed He is [a head]  
No, No, nobody can be behind nor ahead,  
It's an mental correspondence as

Places & things for next time (the metaphysical)  
+ square.

In a space where no one can be in your  
place dreamt us that often when you  
don't care is when you can't compose  
your breath renunciate with some prayer  
Some some minute minutes of awareness  
when ~~at~~ you other often is found;  
fabulation, seeking new beginnings.
